I assure that I use the received data exclusively for my WebShop mentioned above. I do not use the data on any other sales platform. Especially not on eBay and Amazon. I am aware that the use of the data is only permitted if I purchase these products exclusively from TurboZentrum GmbH. Furthermore, I am aware that the disclosure of data is not authorized. I will not change the image material contained in the data and will not remove any existing brandings. I am aware that I can alternatively use my own image material. The product descriptions may be adapted by me, but the content (especially technical) may not be changed. I accept a penalty payment of at least 5000€ plus valid VAT for violation of one or more of the above points. With demonstrably higher damages, I am aware that the penalty can also be considerably greater.
